

**Support for the FUTURE Western Water Infrastructure and Drought Resiliency Act  
(FUTURE Western Water Act)**

The FUTURE Western Water Act passed the House last year as a component of H.R. 2, the comprehensive House infrastructure package. The FUTURE Western Water Act was specifically endorsed by the Newsom Administration and numerous stakeholders, including water agencies and utilities, environmental and conservation organizations, and fishing and outdoor recreation organizations.

The following groups and entities have expressed support for all or part of the FUTURE Western Water Act or the draft legislation it is based on:

Albuquerque Bernalillo County Water Utility Authority; American Rivers; American Sportfishing Association; Association of Fish and Wildlife Agencies; Aurora Water; California Association of Sanitation Agencies; the California Environmental Protection Agency and California Natural Resources Agency; Central Arizona Project; City and County of San Francisco Public Utilities Commission; City of Escondido, California; City of Folsom, California; City of Phoenix; City of Roseville, CA; Coachella Valley Water District; Colorado Springs Utilities; Columbia Basin Development League; Congressional Sportsmen's Foundation; Contra Costa Water District; Denver Water; Ducks Unlimited; East Bay Municipal Water Utility District; Eastern Municipal Water District; Environmental Defense Fund; Fresno Metropolitan Flood Control District; Friant Water Authority; Kawana/South Park Community Gardens; Humboldt County; Las Vegas Valley Water District; Leucadia Wastewater District; Los Angeles Department of Water and Power; National Audubon Society; National Wildlife Federation; Olivenhain Municipal Water District; Orange County Water District; Pacific Forest Trust; Rincon del Diablo Municipal Water District; Salt Lake City Public Utilities; Salt River Project; San Diego County Water Authority; San Francisco Public Utilities Commission; San Joaquin River Exchange Contractors Water Authority; San Juan Water District; Santa Clara Valley Water District; Santa Fe Irrigation District; Santa Margarita Water District; Seattle Public Utilities; Sonoma Water; South Valley Water Association; Southern Nevada Water Authority; The Metropolitan Water District of Southern California; Theodore Roosevelt Conservation Partnership; Trout Unlimited; Truckee Meadows Water Authority; Vallecitos Water District, City of Escondido; Water Replenishment District of Southern California; WateReuse; WaterNow Alliance; the Western Recycled Water Coalition; Xylem Inc.
