The Honorable Kay Granger
Ranking Member

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the **Front Street Complete Street and Cultural Inclusion** project in fiscal year 2023.

The entity to receive funding for this project is **Elk Valley Rancheria and City of Crescent City**, located at 377 J Street, Crescent City, CA 95531.

The funding would be used to revitalize Front Street, a key corridor for commerce, recreation, tourism, and Native American history in rural Crescent City. Grant funds will be used to transform Front Street from an underutilized four-lane roadway to an attractive, two-lane roadway with pedestrian and bicycle improvements, cultural interpretive signage, off-street parking, local art, safe connections to recreation, and native landscaping. The Front Street Complete Street and Cultural Inclusion Construction Project, or Front Street Project, will have a significant impact on the economy and livelihood of Crescent City residents as well as for tourists and residents of the Northern California Coast.

I certify that neither I, nor my immediate family, has any financial interest in this project.

Sincerely,

Jared Huffman
Member of Congress
