Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the **Marin City Public Housing - Lighting Energy Efficiency Upgrades** project in fiscal year 2023.

The entity to receive funding for this project is **Marin Housing Authority of the County of Marin**, located at 4020 Civic Center Drive, San Rafael, CA 94903.

The funding would be used to perform energy efficiency upgrades to the lighting and power infrastructure throughout the historic 296-unit Golden Gate Village public housing complex in Marin City, including the installation of 524 energy efficient LED exterior lighting fixtures. The historic district's internal and external lighting and power line networks have not been upgraded in any substantial way since their original construction in 1960. The existing are not only energy inefficient, but extremely costly to maintain and challenging to keep in working order. This project would result in significant energy savings, carbon emission reductions, and annual cost savings from both lower utility bills and reduced maintenance.

I certify that neither I, nor my immediate family, has any financial interest in this project.

Sincerely,

Jared Huffman
Member of Congress
