The Honorable Kay Granger
Ranking Member

1016 Longworth Building
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the **Trinity Headwaters Forest Conservation for Community Benefit** project in fiscal year 2023.

The entity to receive funding for this project is **Pacific Forest Trust, Inc.**, located at 1001A O'Reilly Avenue, San Francisco CA 94129.

The funding would be used to conserve 11,000-acres, almost 10% of the Trinity River headwaters, located in Trinity County, California. It is a unique opportunity to confer significant community and ecological benefit in this economically depressed Northern California region. It will protect critical forest and wildlife habitat, enhance water security, reduce fire risk, support restoration jobs, and increase recreational opportunities.

I certify that neither I, nor my immediate family, has any financial interest in this project.

Sincerely,

Jared Huffman
Member of Congress
