Infrastructure and Jobs Act

Public Law No. 117-58

Grant Name	Agency	Period of Availability
State Digital Equity Capacity Grant	Department of Commerce	Available until expended
State Digital Equity Competitive Grant	Department of Commerce	Available until expended
State Digital Equity Planning Grant	Department of Commerce	Available until expended
Tribal Broadband Connectivity Program	Department of Commerce	Available until expended
Advanced Energy Manufacturing and Recycling Grants	Department of Energy	Available until expended
Assisting Federal Facilities with Energy Conservation Technologies Grant Program	Department of Energy	Available until expended
Battery and Critical Mineral Recycling	Department of Energy	Available until expended
Battery Manufacturing and Recycling Grants	Department of Energy	\$600,000,000 appropriated annually for fiscal years 2022 through 2026 (to remain available until expended)
Battery Materials Processing Grants	Department of Energy	\$600,000,000 appropriated annually for fiscal years 2022 through 2026 (to remain available until expended)
Carbon Utilization Program	Department of Energy	Available until expended
Career Skills Training	Department of Energy	Available until expended
Cost-effective Codes Implementation for Efficiency and Resilience	Department of Energy	Available until expended
Critical Material Innovation, Efficiency, And Alternatives	Department of Energy	Available until expended

Infrastructure and Jobs Act

Public Law No. 117-58

Grant Name	Agency	Period of Availability
Energy Auditor Training Grant Program	Department of Energy	Available until expended
Energy Efficiency and Conservation Block Grant Program	Department of Energy	Available until expended
Energy Efficiency Materials Pilot Program	Department of Energy	Available until expended
Grants for Energy Efficiency and Renewable Energy Improvements at Public School Facilities	Department of Energy	Available until expended
Industrial Research and Assessment Center Implementation Grants	Department of Energy	Available until expended
Industrial Research and Assessment Centers	Department of Energy	Available until expended
Manufacturing Leadership (Sec 40534)	Department of Energy	Available until expended
Rare Earth Elements Demonstration Facility	Department of Energy	Available until expended
Rare Earth Security Activities	Department of Energy	Available until expended
Smart Grid Investment Matching Grant Program	Department of Energy	\$600,000,000 appropriated annually for fiscal years 2022 through 2026 (to remain available until expended)
Low Income Home Energy Assistance Program	Department of Health and Human Services	2022 - 2026

CHIPS and Science Act

Public Law No. 117-167

Grant Name	Agency	Period of Availability
CHIPS for America – Domestic Production of Leading Edge Logic and Memory Chips Manufacture	Department of Commerce	https://nist.gov/chips Funding announcements available should be released: March 2023
CHIPS Research and Development Program – National Semiconductor Technology Center	Department of Commerce	https://nist.gov/chips Funding announcements available should be released: March 2023
Domestic Production of Semi-Conductors	Department of Commerce	https://nist.gov/chips Funding announcements available should be released: March 2023
Microelectronics Commons	Department of Defense	Applications Due: February 28, 2022
Experiential Learning for Emerging and Novel Technologies (ExLENT)	National Science Foundation	Available until March 2, 2023
Future of Work at the Human-Technology Frontier: Core Research (FW-HTF)	National Science Foundation	Available until March 30, 2023
Major Research Instrumentation Program	National Science Foundation	Available until October 30, 2023
NSF Scholarships in Science, technology, engineering, and mathematics program (S-STEM)	National Science Foundation	Available until March 29, 2023

Inflation Reduction Act

Public Law No. 117-167

Grant Name	Agency	Period of Availability
Advanced Industrial Facilities Deployment Program	Department of Energy	Available until September 30, 2026
Assistance for Latest and Zero Building Energy Code Adoption	Department of Energy	Available until September 30, 2029
Domestic Manufacturing Conversion Grants	Department of Energy	Available until September 30, 2031
Enhanced Use of Defense Production Act of 1950	Department of Energy	Available until September 30, 2024
Grants to Facilitate the Siting of Interstate Electricity Transmission Lines	Department of Energy	Available until September 30, 2029
High-Assay Low-Enriched Uranium (HALEU) Availability Program	Department of Energy	Available until September 30, 2026
High-Efficiency Electric Home Rebate Program	Department of Energy	Available until September 30, 2031
Home Energy Performance-Based, Whole-House Rebates	Department of Energy	Available until September 30, 2031
State-Based Home Efficiency Contractor Training Grants	Department of Energy	Available until September 30, 2031
Green and Resilient Retrofit Program - Grants and Loans	Department of Housing and Urban Development	Available until September 30, 2028
Climate Change Technical Assistance for Territories	Department of Interior	Available until September 30, 2026 (First deadline: January 31, 2023)
